

# Garuda Acceptable Use Policy (AUP)

# Draft Policy Statement 1

- Garuda Grid should not be used for any illegal or commercial activities.
- Use existing security mechanisms and recommendation announced periodically.
- You shall not use the GRID for any unlawful purpose and not (attempt to) breach or circumvent any GRID administrative or security controls

- Do not circumvent accounting and auditing mechanisms.
- You shall immediately report any known or suspected security breach or misuse of the GRID or GRID credentials
- Use of the GRID is at your own risk. There is no guarantee that the GRID will be available at any time or that it will suit any purpose

- Logged information, including information provided by you for registration purposes, shall be used for administrative, operational, accounting, monitoring and security purposes only
- The Resource Providers, the VOs and the GRID operators are entitled to regulate and terminate access
- No hacking attempts of the Garuda grid nodes.
- Do not use your Garuda grid account to gain access to any hosting site resources that you did not already have

- Do not use one or more Garuda grid nodes to flood a site with so much traffic as to interfere with its normal operation
- Do not do systematic or random port or address block scans. Do not spoof or sniff traffic
- Violation of this AUP may result in any of the following:
  - Disabling the Garuda grid account.
  - Removing the site from Garuda grid.
  - Informing the organization's administration.
